Has anybody diagnosed the disease as "tnbackerlosis?"—Dover News.

EVELYN THAW is proving herself to be the better half in conducting her husband's trial.

A Cincago Bishop declares that singing is healthy. Should say so, when you can get \$2,000 per night.

SENATOR TILLMAN'S "caustic remarks" are heard so often in the Senate that they don't sound very caustic any more.

THE Republican National Convention, which is to meet in Chicago next June, will consist of 980 delegates, 491 votes being necessary to nominate.

THE boy that stood on the burning deck is a back number dime novel hero to the hotfooted stant now being endured by that erstwhile fire-eater, J. B. FORAKER, of Ohio.

WHETHER HARRY K. Thaw is sent to the asylum or the electric chair, the public is not going to waste much sympathy on him this Everybody is tired of the whole busitime. ness.

To make the matter short, it opinion that there will be no election of United | Makers of Mirrors Poisoned by the States Senator this session. The talk about the four Democrats who are voting against BECKHAM ever voting for BECKHAM is not based on anything like trnth. They will never do it -Carlisle Mercury.

JUNGE TAFF is the first choice of 60 of the 4,518 Republican Congressmen, Legislators and other party leaders answering to The Chicago Tribune's Presidential poll. TAFT is the first, second and third choice of 80% of the poll; TAFT is the first choice of every State save the favorite son States, and second choice of every favorite son State. Analyze these figures. What do they mean? Why, they mean that TAFT will be numinated for President at Chicago by reclamation.

Anorner outburst from Colonel Evenett TRUE WALTON, Editor of The Kentucky State Journal. Listen!

"Every old political back who holds a grievance against Governor BECKHAM, real or imaginary, has been here this week trying to encompass his defeat. Hell is full of such so-called Democrats."

This not only shows that sheel is heavily in the way of producing the desired populated with Democrats, but it further indicates the magnitude of the oprising against BECKHAM in old Kentucky. The Republicans are not beating Mr. BECKHAM; it's the Democrats.

DR. JOHNSON'S VIEW OF COURTSHIP.

Dr. Samuel Johnson-the famous Dr. Johnson-who died long ago, was said to have courted a widow for 20 years, and had visited her every night during that long period of time, and some friend of his said to him:

"Why don't you marry her and be done with it?" and Dr. Johnson, in his quaiat but very earnest manner,

"If I should do that where would I spend my evenings?"

Amos W. Hamer of Manchester has hal his

Vapor of Mercury.

Every inliror is made at the coal of human suffering and poisoning. The silvering of the glass by applying ayer of tinfoil alloyed with mercuinvolves so much risk of poisoning. the work people constantly hieathing the mercury vapor, that numerous at tempts have been made to use naother metal for the purpose.

it was shown by Lifetits that a fine adherent deposit of metallic sliver could be applied to glass by reducing sointion of a stiver salt with milk sugar, so this method has been emcloyed as a commercial process. There have been partly successful attempts to get a like deposit of copper

The mirror often tacks brillinger and is usunity disligured with stalu. But it has been found by one F. D Chattaway of England that solutions copper salts can produce briffiant reddish films of metailic copper which are as perfect rellectors as sliver mirrors. ilis method of coating giass with a layer of copper, it is thought, will probably be used extensively in making mirrors and other glassware

FOUND A CURE FOR INSOMNIA

Sufferer Testifies That Deep Breathing Helped Hlm.

"I have been troubled with hisomnia all my life," remarked the nervous illileted I have tried all the familiar lodges to induce sleep. The results vere never particularly satisfactory effect until one night I thought I had ictually found a sleep-inducer when chanced to grasp one of the rods at the head of my bed with both hands and practically hung the weight of my body on them. That sent me to sleep and it did the same tining for a few times, when to my extreme disappointment, I found it had ceased to work. was as badly off as recently, until one night, whea I had a bad cough, as weil as an attack of sleeplessness. i tried the well-known remedy of trying to send myself off into the land of nod by taking iong deep breaths. What it did to me, and has done several times since, was not to only send me to sleep, but to stop my cough. Just why it did so is not of much consequence. That it did so is the thing that conerns me most.

Russia's Great Library.

One of the greatest m. numents to the memory of that benevelent despot Peter the Great, is the imperial li brary of Itussia, established by him in 1714. Present ranking places it third among the world's great libraries. If is preceded by the National library of Paris and that of the British museum of London. It contains 1,500,000 volnmes and 26,000 manuscripts. The most important accession it ever received was probably at the time of the suppression of the Society of Jesus in iections were transferred to the imperial ilbrary. Among them was the famous coilection of Count Zaluski, consisting of 260,000 volumes and 10,-000 maauscripts. The most important manuscirpt in the library is the "Codex Sinaiticus" of the Greek Bible, brought to Russla by Prof. Tischendorf in 1859 from the convent of St. Catherine oa Mount Sinai.

Red-Haired Charmers. "There are ao red-haired old

The speaker, a red-halred actress, lighted a fresh eigarette and went

"The red-halred have an excess of iron in their blood. This causes them to overflow with vitality, animal spirits, gayety, wit, charm-but 1 must

not boast, must 1?" She smiled, and, smoothing her ruddy locks with a siim white hand, she

added:

"At any rate, it is a paipable fact that the red-haired girl never gets left. As a rule she is married at 20. A red-inited oid maid is a greater rarity than a millionaire anarchist. Leap year begins with 1908, but we red haired girls have no need of leap year."

Tinfoil Valuable.

Several of the hest-known chocoiate manufacturers on the continent are advising customers not to throw away the tinfoii in which the chocolate is enveloped, but to keen it until called for by an agent, who will gladly pay the market price for it. The present high price of tin is tine to the action of English and Dutch speculators, who have forced it far beyond its netual value. The chocolate industry In Europe spends nearly \$1,000,000 annually for tinfoil, which is generally thrown to the winds.

Impudent Boy. "Mamma," asked Tommy, "what year were you and papa married?" "In the year 1906, dear," answered Mrs. Hunker.

"Was that a leap year?" "I believe it was."

"Why, mamma, did you have to-Of skin-tortured and disngured vio-tims of humors, eczemas, tetters, and rashes, who have tried and found want-ing many remedies, and who have lost faith in all. To such Cuticura Soap, Oiatment, and Pills appeal with irresist-ible force. They are absolutely pure, sweet, gentlo, and wholesome. They afford immediate relief in the most dis-tressing cases, and point to a speedy cure "No, I didn't, you insolent little ras cal!" interrupted his indignant mother. "And I've a great mind to spank you for thinking of lt!"

The Court of Appeals has affirmed the snit of Howe vs. Conrtney, taken up from Fleming

Mr. Brnce Ringo of Dover for a few months located in this city, has gone to Seymour, Ind., to set type in The Snn Office.

At Carlisle, Steve Massey, charged with incest, was held under \$2,000 bond for his appearance at the Nicholas Circuit Conrt.

Colonel G. W. Adair, introduced to the Conrt of Appeals Wednesday by C. H. Morris, was sworn in as an Attorney of that Court.

A number of railroad detectives have been n Dover this week looking for a lot of stolen goods which were thought to have been shipped o that place from Cincinnati.

#### CURED TO STAY CURED.

How a Maysville Cltlzen Found Complete Freedom From Kldney Troubles.

If you suffer from backache-From nrinnry disorders-From any disease of the kldneys, Be cured to stay cared. Doan's Kldney Pills make lasting cures.

Maysville people testify.

Here's one case of it. A. W. McClanahan of A. W. and B. P. McClanahan, grocers, at 121 Second street, Maysville, Ky., says:

"I can endorse Doan's Kidney Pills more heartily today than I did five years ago when I told the Maysville people that this medicine had cured me of severe kidney trouble and backache that had hothered me for twenty years and seemed to be growing worse and worse all the time. I repent that I can more confidently dealer, after having received a warping not to recommend Doan's Kidney Pills, which I procured at J. Jas. Wood & Son's Drugstore, todny than I did in my former testimonlal hecause my cure has been permanent and I have had no kidney trouble for nearly five years. As proof that ! am a firm believer in Doan's Kidney Pills I will be only too pleased to reiterate the above to any one who may inquire."

#### THE NORTHWESTERN MUTUAL LIFE INSURANCE COMPANY

Not only sells the HEST and BROADEST contract, but returns LARGER dividends and therefore lusures at a LUW net cost. The new 1908 policy of THE NORTHWESTERN is a marvel of completeness. It covers as many of life's contingencies, profusble or possible, as ean be met by money. It is like a will, except that it provides the calate that it distributes. It contains large ioau and Cash values. It provides automatic Paid-up or Extended Insurance, and for Reinstatement at any time within FIVE YEARS after lapse.

NO OTHER company offers as many or as after lapse.

NO OTHER company offers as many or as varied OPTIONS of Settlement, under ANY or ALL of its policies combined, as THE NORTH-WESTERN offers under its ONE policy.

of the winter struck Maysville yesterday, afternoon. It was the real thing and the mercury took a rapid tumble. The cold wave is general. Snow, high winds and much colder is the weather prediction. P. S.— Bassler is a nature faker.

Mrs. Thomas Ryan of East Fifth strest, who has been very sick, is some better this morn-

NO, SHE NEVER KISSED HIM. Washerwoman, However, Had an Idea of the Situation.

Nell is a girl who lives up on Capitol hill. On Mondays a woman comes to Nell's house to wash clothes. The woman's name is Nell, too. The other day Nell, the girl, was in the sitting room reading when the telephone rang. Nell, the washerwoman, answered the ring. Nell, the girl, then heard Nell, the washerwoman, say:

"Yes, this is Nell." Sllence.

"How's that? Sllence.

Am I mad because you What! Look here, kiseed me last night. mun, you're too fresh. Who are you, anyway. 1 never kissed-

Just then the telephone receiver was wildly snatched from her hand. Nell, the girl, blushing furiously, had grabbed it. She hing It on the hook. "He wanted me," she sald. "He al-

ways tries to tease me that way. I-1 never kissed him in my life." As she disappeared up the stairs the washerwoman spilled and said:

"That's a blg one." -- Denver Post.

Mr. J. M. Barrle, the popular novelist and playwrlght, has glorlfied tobacco more than once, but on a cersmoker to desist. It happened thus: Mr. Barrle returned to his rooms one day and discovered his page boy

puffing hard at a dirty clay pipe. "My boy," said the novelist, "It is very bad for you to smoke that coarse black twist. You will make yourself ald before your time."

And so he went on till he had dellyered a long and what he believed to be a telling fecture. A day or two later the youth left without glying notice, and shortly afterward Mr. Barrle brought some friends to his flat. The first real snow blizzard Promising them a special treat, he went to a cablnet where he kent a store of very choice cigars. You can Imagine his chagrin when he discovered that the clears had vanished, and in their place was the page boy'e clay plpe and the following note:

"Dear Sir: I agree with you that it is bad for a boy to smoke twist. 1 will not smoke any more twist till I have fluished your clgars."

MANY USES FOR THE HAIRPIN. Little Instrument May Be Sald to Bo Invaluable.

It is an excellent substitute for a paper cutter. It will pierce a clgar or clean a pipe. As a buttonbook, either for boots or gloves, it is invaluable, In Hen of its sharper sister, the pin. seaside trippers have been known to find it convenient for extracting the while from its shell. In extremitle: it has served as a toothplek, horrlb as this may seem, while, if a sufficien number are used. It supplies the 1 face of a hatpln.

There is another popular service also that It performs, says the London Chronicle. Recently at a smart hot. I In London a young lady took up a novel, saying to the man who was carrying it round: "How far have you got with this story?" As she spoke she opened the book with this gulck movement which lnevltably by trays the book marker, then puttling It down with a laugh added: was looking for the hairpin which marked the place you had reache ', but, of course, you don't use hairpins."

Consolation.

"Steward, how long will it be before we get luto the harbor?"

"About an hour and a half, ma'ani." "Oh, dear, I shall die before then." "Very likely, ma'am, But you'll beall right again when you've been on shore ten minutes."-Marine Journal.
